SERVICE CLASS TRAINING

For Marine Instruments

Marine Monday

Due to popular demand, RKI Instruments Inc. is adding a “Marine” instrument service class the Monday before selected three-day service schools to give our marine service providers an opportunity to work on selected portable instruments that are used in the maritime industry.

The “Marine Monday” classes are scheduled for the following dates:

- May 14, 2018
- November 12, 2018

This one-day class will cover the following Marine instruments:

- RX-515 / RX-517
- GX-8000
- RX-8000
- RX-8500
- RX-8700

Our instructors will cover the operation, calibration and basic maintenance of these instruments. If you are interested in attending this class please contact Jennifer Lozano at 800-754-5165 or click on the “Enroll Today” button below. Make sure to reference the Marine Monday class in your message. This registration fee for this class is \$100 per student.
