## CO2 Gas Monitoring Solutions

Thank you for stopping by our booth and discussing your gas detection needs with us last week at the Craft Brewer's Expo in Denver. We are experts at monitoring for carbon dioxide. Whether you require a portable personal instrument like our new [GX-3R Pro](#), or a [continuously monitoring system](#), we can provide you with the best solution for whatever size your facility is.

I've forwarded your product interest to our regional sales manager, who will be reaching out to you for any immediate needs you might have. In the meantime, feel free to contact myself or your rep, if you have a more urgent requirement.

Thanks again for your time, and we look forward to providing you with the ideal CO2 monitoring solution.

Best Regards,

**Mike Johnson**
