Internet MAP Policy Statement

Fully authorized RKI distributors who advertise online pricing of any RKI portable products through a website or online market place shall not advertise below RKI's Internet Minimum Advertised Price (Internet MAP)

RKI's Internet MAP policy does not place any restrictions on the final price you charge for RKI's products and strictly pertains to online advertised prices.

Internet MAP Pricing

RKI's Internet Minimum Advertised Price is no lower than 20% off the current published list price with the exception of the GX-3R and GX-3R Pro product lines.

RKI's Internet Minimum Advertised Price for the GX-3R and GX-3R Pro product lines is no lower than 15% of the current published list price.

Advertising 'Contact Us for Pricing' in lieu of advertising a price is permissible.

RKI reserves the right to change the Internet MAP policy at any time.

Offering free shipping does not violate RKI's Internet MAP Policy.

RKI Introduces New Internet MAP Policy

Products Covered

All portable product lines may utilize RKI's Internet MAP policy. This includes parts and accessories intended for portable instruments.

Fixed product lines may not utilize RKI's Internet MAP policy and must not be advertised online for lower than the current published list price.

Shipping within the US or Canada

This Internet MAP Policy applies to the US and Canadian markets only. RKI products cannot be advertised for sale outside of the US and Canada at any price.

Online-generated business can be shipped anywhere within the US and Canada. Sales intended for end users outside of the US or Canada are not permitted.

This Internet MAP Policy will affect all Distributor Agreements with RKI.

RKI will be sending out Distributor Agreement Amendments to reflect this change.

If shipping out of state, orders must utilize RKI's drop-shipment service unless monthly point of sale reporting is provided by the 5th of each month for all out of state shipments from the previous month.

Internet MAP Policy Violations

If you are violating any RKI MAP Policy, RKI will ask you to have the violation corrected within 5 days. If the violation is not resolved, RKI reserves the right to reduce or suspend all product discounts.
