

Gas Detection For Life

Distributor Announcement

April 3, 2019

Premier Portables Quantity Discounts

For US and Canadian distributors. Effective date: April 3, 2019

RKI is committed to supporting all of our Distributor Partners' stocking needs with quantity based discounts. When you place an order for any Premier Portables that has one "ship to" location, the following discounts will automatically be applied based on the quantity ordered.

This discount program supersedes all previous schedules or special pricing offers including the 03 Series Winter Discounts promotion which ended April 1st, 2019

Instrument Discounts

For instrument only purchases, the following discounts apply. Each order must ship complete to one location.
