

GX-2012 & GAS TRACER EXTENDED DISCOUNT PROGRAM

For US and Canadian distributors. Effective date, March 1, 2018

RKI is committed to supporting all of our Distributor Partners' stocking needs with these new quantity based discounts. When you place an order for any GX-2012 and Gas Tracer instrument that has one "ship to" location, the following discounts will automatically be applied based on the quantity ordered.

Instrument Discounts

For instrument only purchases, the following discounts apply. Each order must ship complete to one location

Order Quantity	Discount
1-4	35%
5-9	38%
10>	40%

Instruments Bundled with Accessories Discount

For part numbers where a GX-2012 / Gas Tracer are bundled with accessories, the following discounts apply. For example part# 72-0290-22-C-50 is a GX-2012 with a charger and carrying case. This part # will receive the following quantity discounts.

Order Quantity	Discount
1-4	35%
5>	38%

These quantity discounts are applied to one line item that ships to one location. Contact your regional sales manager for further information.
