

## GX-6000 EXTENDED DISCOUNT PROGRAM

For US and Canadian distributors. Effective date, October 1, 2016

RKI is committed to supporting all of our Distributor Partners' stocking needs with quantity based discounts. When you place an order for any GX-6000 instrument that has one "ship to" location, the following discounts will automatically be applied based on the quantity ordered.

This discount program supersedes all previous schedules or special pricing offers.

### ***Instrument Discounts***

For instrument only purchases, the following discounts apply. Each order must ship complete to one location.

Order Quantity	Discount
1-4	35%
5-9	38%
10>	40%

### ***Instruments Bundled with Accessories Discount***

For part numbers where a GX-6000 is bundled with accessories, the following discounts apply. For example part# 72-6ABX-C-50 is a GX-6000 with a charger and carrying case. This part # will receive the following quantity discounts.

Order Quantity	Discount
1-4	35%
5>	38%

These quantity discounts are applied to one line item that ships to one location. Contact your regional sales manager for further information.
